## Invisible Cartoons - "Space Cat" Spring 2017 Release and Tour

Smile-rock band Invisible Cartoons will release its contagiously danceable new single "Space Cat" as a Spotify exclusive on April 25, 2017, followed by a full release on May 19.

A release party to celebrate the single is set for Friday, May 19, at the legendary Two Brothers Roundhouse in Aurora, Illinois. Invisible Cartoons will perform a full set of their all-original material.

In July the full "Space Cat" EP will release and an EP release party will be held at Reggie's Music Joint in Chicago, IL on Saturday July 15.

**Bio:**

Chicago-based Invisible Cartoons came to life in 2013, drawing from its members' shared vision to create dramatic, high-energy songs about unity, hope, and perseverance. Last year the group toured the Midwest playing more than 25 shows in support of their full length album "Characters". This year the guys are thrilled to be taking their joy-inducing live show on the road again in support of their new EP "Space Cat".
